Report A Hate Crime

Hate crimes and incidents come in many different forms. If a hate crime happens to you or someone you know, it is important that you report it.

By reporting hate crimes when it happens, you can help stop it happening to someone else. You can also help the police to better understand the level of hate crime in your local area to improve the way they respond to it, in turn helping your friends, family and community.

Call 999 if someone is in immediate danger. Call 101 to contact local police for non emergencies.

About Family+

Family+ is a group for family members of LGBT+ individuals to ask questions, get support and information, or just pop along for a chat!

Children under the age of 13 are welcome to attend if supervised by a parent or guardian. Fun activities and toys are provided for children, while adults can enjoy a hot drink and a slice of cake.

We will also be having guest speakers from support services in North Somerset.
